CITY OF ATLANTIC, IOWA

PUBLIC NOTICE — REQUEST FOR BIDS

Tree Removal and Stump Grinding Services

The City of Atlantic, Iowa, is soliciting sealed bids from qualified contractors for tree removal and stump grinding services at locations to be designated by the City.

Scope of Work

- Removal of approximately 23 trees, ranging in height from approximately 20 to 50 feet or more, including grinding of all 23 associated stumps to a minimum depth of 6 inches below existing ground level. Approximately two trees are located near structures and may require additional precautions.
- Grinding of approximately 37 additional existing stumps to a minimum depth of 6 inches below existing ground level. *Total anticipated stump grinding: approximately 60 stumps*.
- Contractors shall also be responsible for the collection, removal, hauling, and proper disposal of all stump grindings generated by the project. Backfilling, topsoil replacement, grading, and seeding of stump locations will not be required.
- The City of Atlantic will provide a designated local disposal site for materials generated by this project. Contractors shall be responsible for all labor, equipment, loading, transportation, and unloading of logs and branches at the designated site.
- Final quantities, site locations, access conditions, and restoration requirements will be confirmed in the bid specifications or during a site review.
- All work areas shall be left clean and free of logs, branches, wood chips, stump grindings, and other debris resulting from the contractor's operations. All costs associated with these requirements shall be included in the total bid price.

Bid Submission

Bid deadline: FRIDAY, DECEMBER 18TH AT 4 P.M.

Submit bids to: CITY HALL/MAGGIE ROBINSON, PARK & RECREATION

Delivery address or email:

23 E 4TH ST. ATLANTIC, IA, 50022 // MROBINSON@CITYOFATLANTIC.COM

Questions and site review arrangements:

MAGGIE ROBINSON, 712-249-5201, MROBINSON@CITYOFATLANTIC.COM

Bid Requirements

Bids should include a total project price; itemized pricing for tree removal, stump grinding, and debris disposal; anticipated start and completion dates; equipment and staffing approach; and proof of applicable insurance. Contractors should identify any exclusions or additional charges. The City may request references and documentation of qualifications.

Reservation of Rights

The City reserves the right, subject to applicable law and City procurement requirements, to reject any or all bids, waive informalities, and award work in the City's best interest. No contract will be formed until formally approved by the City.
