

REIMAGINING BULL CREEK

IOWA MAYORS' DESIGN WORKSHOP OPEN HOUSE

**Cass County Community Center
805 W 10th St, Atlantic, IA**

Wednesday May 7th, 4-6pm

Students from Iowa State University's College of Design and College of Engineering will present their collaborative work on Bull Creek in Atlantic. As part of a multidisciplinary course, students explored how Bull Creek functions today, identified opportunities and challenges for improvement, and developed proposals focused on mitigating flooding, managing stormwater, enhancing visual appeal, and creating vibrant public spaces along the Bull Creek Corridor. Atlantic was a 2024 participant in the Iowa Mayors' Design Workshop, hosted by Iowa State University.

Join us as students share their findings and invite your stories, experiences, and feedback about the corridor. Light refreshments will be served.
